

## 2017 TEIMUN

The European International Model United Nations (TEIMUN)  
The Hague, Netherlands July 2017

### The Conference

The European International Model United Nations Conference (TEIMUN) is an annual student conference which blends educational activities and social interaction using a number of inter-related, hands-on experiences. The conference was first held in 1987.

Each year, hundreds of the brightest students from countries around the world attend these conferences to engage in discussions about the world's most pressing issues and to develop as young leaders and global citizens.

Beginning in 2009 the WVU Division of Student Affairs, in partnership with the International Studies Program, began sponsoring students to attend several international student conferences as delegates.

### How do I apply and how are students selected?

WVU will select six students to attend The European International Model United Nations Conference. Selection of delegates will be based upon the following criteria:
